7. Account Structure: Warm Springs Community Action Team has worked with Columbia Bank to establish Individual Development Accounts in accordance with the requirements of the IDA Initiative. The IDA account will be governed by this understanding:

- ✓ Designate Warm Springs Community Action Team as the MYMW program administrator.
- ✓ Deposits into the account as agreed upon in your savings plan. Deposits can be made outside of bank hours using the drive-up window at Columbia Bank, through Payroll deductions, or (in some cases) through account transfers or over the phone.
- ✓ Assets of the IDA account will be invested in the Savings Goal/Qualified Expense in accordance with the direction of the Participant after consultation with Project Staff.
- ✓ The assets of the IDA account will not be commingled with other property except that the program shall hold matching funds in a separate bank account.

8. IDA Account Withdrawal: Withdrawals of funds from the IDA account cannot be made for any purpose until 6 months after the date on which the Participant first deposits funds into the IDA account. The unauthorized withdrawal of any funds from their IDA account by the participant prior to 6 months from the date of the initial deposit shall constitute the Participant's withdrawal and termination of the client's participation in the IDA Program. All withdrawals from the IDA account require written authorization of both the Participant and WSCAT staff. Withdrawals are limited to one or more Qualified Expenses or for an Emergency Withdrawal.

Qualified Expenses: First-time home purchase, post-secondary education, business start-up or expansion, assistive technology purchase, vehicle purchase, home renovation, or debt modification. At the time the Participant reaches their goals as agreed to in the Savings Plan Agreement.

Emergency Withdrawals: The IDA Participant and WSCAT staff work together to avoid the emergency withdrawal of funds. An emergency withdrawal may only be of those funds or a

Warm Springs Community IDA

Make Your Money Work Savings Plan

portion of those funds, deposited in the IDA account by the Participant for purposes such as medical care, payments necessary to prevent eviction, and to meet necessary living expenses. Emergency withdrawals cannot exceed 50% of the Participant's account balance at the time of withdrawal and must be redeposited before a matched withdrawal is made.

Funds withdrawn for purposes of an Emergency Withdrawal must be replaced as soon as possible and no later than 12 months after the date of the emergency withdrawal. Failure to replace withdrawn funds shall constitute the Participant's withdrawal from the IDA Program and the Participant will be ineligible to receive "matching funds" from the pooled parallel account.

Other Withdrawals – Voluntary Termination: Should the Participant decide to terminate their participation in the program, they must submit their request in writing to WSCAT. WSCAT will send this written request to Columbia Bank and terminate any financial statement requests. The Participant understands that once they terminate prior to the end of the savings period, they forfeit any match from the pooled parallel account.

9. Provision of Match for Qualifying Expenses: Warm Springs Community Action Team will provide match funds from the pooled parallel account only for the purpose of one of the qualifying expenses and payable to the vendor. Typically matching funds will not be paid directly to the Participant, except in rare cases that warrant direct pay. No matching funds will be provided for an emergency withdrawal.

10. Evaluation: The IDA participant agrees to assist in its evaluation by responding to periodic questionnaires sent by Warm Springs Community Action Team to measure changes due to this program. This information is confidential and name and personal information will be withheld from any reports on this information.

11. Termination from Program: The IDA Participant understands that if they fail to make two deposits in a row they may be contacted first by phone and then by mail. Failure to respond to these contact attempts will result in termination from the program. If the Participant does not respond to WSCAT's contact attempts, the Participant will receive a formal letter of termination, which they have **30 days to APPEAL**. If the Participant chooses to respond, WSCAT will work with the participant to decide if continued participation is possible. In some cases missed deposit exceptions can be made; however, they are not guaranteed and can only be given if the Participant responds to contact attempts made by WSCAT.

12. Garnishments: WSCAT has no legal standing in garnishments. If garnishment is requested from your IDA account, we will have to comply. After the first incident, WSCAT will talk to the client. If garnishment occurs again and it is impending the client's ability to save, WSCAT may require the client to exit the program. 30 days' notice will be given before account closure.

13. Beneficiary Designation: In the event of my death, I designate the person listed below as my beneficiary to receive all the assets in my Individual Development Account (IDA) and I authorize the WSCAT Staff and Columbia Bank holding my IDA to initiate and complete a transfer of my IDA assets to the control of my beneficiary. I understand that my beneficiary can be entered into the program in my place upon IDA staff determining their eligibility.

Beneficiary Information

Name: _____

Address: _____

Phone #: (____) _____ - _____ Relationship to Participant: _____

This beneficiary designation shall remain in effect unless and until such time as I provide written and signed notification to the WSCAT Staff of a change in my beneficiary designation.

14. Savings Plan Agreement Amendments: The IDA Participant may from time to time make proposed amendments to this agreement for consideration and possible approval by the IDA Program staff.

15. Grant Funded Program: The Participant understands that the IDA program is funded through grants (outside organizations who give WSCAT match money and other support). As a result, the program terms and conditions may be modified at any time due to factors outside of WSCAT control.

16. Credit Counseling: The Participant understands that during the savings process they will receive credit counseling. They will be required to schedule a one-hour session with a credit counselor prior to opening their account. The Participant will be presented with options and will ultimately choose if/how they would like to address any credit concerns. Often with credit there is no right or wrong answer and there is no guarantee the Participant's credit score will remain the same or increase.
