Household Information

IDAs use a special, non-tax, definition for what a household is. If you can answer *yes* to all four of these questions below, the person is considered part of your household.

- Do you share a home, apartment, or other living space?
- Do you consider the above home, apartment, or living space to be your primary residence?
- Do you identify as a household?
- Do you function as an economic unit?

Please list all members that are currently in your household (in many cases, this will be the same as who is included on your taxes or public benefits):

Name	Date of Birth	Relationship	Has income, assets, or liabilities? (If yes, make sure they are listed on the previous page)
